

WATERCORE LLC

Make Life CLEAN & SIMPLE

Introducing the latest addition to our effluent filter line:

THE C-4 SERIES!

Our new filter has Patented Features not offered anywhere else that sets it apart from the rest!

- Never Remove Your Filter to Clean it Again! -

- ⊕ Simple and Easy to Clean without Removing from the Tee Baffle or Tank
- ⊕ The Filter Cartridge is Interchangeable and Will Work with Any Existing Tee Baffle Already Installed (Exceptional Replacement Filter Option)
- ⊕ Optional Garden Hose Attachment for Flushing Persistent Clogs
- ⊕ 800 GPD with a 1/16" Filtration
- ⊕ Outlet needs no adapters.
Readily accepts:
3" SCH 40
4" SCH 40
4" SDR
- ⊕ Can be Purchased as a Complete Unit or Components Sold Separately (Exceptional Choice to Replace Any 4" Existing Filter Cartridge)
